4. Uptown Parking Garage-Update Alternative Parking for Permit Holders

Karen Byrnes told the Commission that meetings are still being held regarding the garage. Karen said that it appears that a total, all inclusive, dollar amount for the project is approx. 7 ½ million dollars. There are more meetings scheduled in May with the Council of Commissioners. Karen also talked about providing the MEPS, DPPH and Phoenix building folks an alternative for

parking during the construction as they will all be displaced. The two lots at the corners of Mercury and Colorado will be improved and signed, and permits issued so that those displaced will have a temporary area to park during construction which will break ground in late June. Karen also told the Commission that the bus stop on Park St will be taken down and replaced with a smaller temporary bus stop at the old Greet Café site.

5. 15, 30 Minute Spot Inventory-Report

Karen Byrnes and Butch Harrington both talked about the inventory of 15 and 30 minute signs located in the 2 hr zone. Broadway St seems to possibly have a few that may not be needed. Rob Dwyer also asked about the possibility of having a “pick up-drop off” zone at the Mercury St Medical building.
