Butte, MT 59701
Fax: 406-723-7245

FREE Sampling for Property Owners

Samples are analyzed for potential Lead, Arsenic, and Mercury contamination due to past mining activity in the area

- ◆ Property owner completes the sample request form
- ◆ Schedule a time for samples to be collected
- ◆ Attic dust, indoor dust, and soil samples (weather pending) are collected and analyzed by a certified lab
- ◆ Confidential results will be mailed to the property owner
- ◆ Results with elevated lead, arsenic, or mercury qualify for remediation
- ◆ Access agreement to be completed by property owner and notarized
- ◆ Contamination is cleaned-up free of charge
