

Agenda
Butte-Silver Bow Board of Health
7 a.m., Wednesday, July 3, 2019
Health Department Conference Room

1. Administrative Agenda Items

- a. Call to order.
- b. Roll call.
- c. Approval of the minutes from the June 13, 2019 Board of Health meeting.

2. Public Comment(s) On Any Items on the Agenda

3. Action Agenda Items

- a. Request for Board of Health sanctioning of a National Priority Research Grant to conduct a lead isotope analysis in Butte-Silver Bow. The U.S. Environmental Protection Agency believes Butte-Silver Bow, due to its Residential Metals Abatement Program and built infrastructure in regard to following elevated blood lead levels (EBL's) and collecting related data, represents a good study population. Pueblo, Colo., also is being asked to participate due to high EBL's not seen in Butte. Study partners would be looking for lead contributions from outdoor soil, paint, tap water, interior dust and attics, investigating for isotopes and determining lead sources. The study also would look for participants with EBL's greater than 5 micrograms per deciliter. Local academics and graduate students would be asked to partner in regard to outreach and education, as well as the Citizens Technical Environmental Committee (CTEC). Coordination would also occur with RMAP and the Health Department.
- b. Request for Board of Health authorization of a variance from Butte-Silver Bow Waste Water disposal regulations, to have dose trenches exceeding 100 feet. The variance request meets Montana Department of Environmental Quality requirements for on-site waste water systems and therefore recommends the variance.
- c. Request for Board of Health authorization of increased fees in the Health Department's Environmental Health Division, for food/consumer safety items such as licensed establishments, wholesale/manufacturing food programs, public

accommodation programs, and other establishments; and for environmental items such as on-site waste water systems and site evaluations of parcels of land.

- d. Request for Board of Health authorization of a contract between the Montana Department of Public Health and Human Services and the Butte-Silver Bow Health Department to provide home visiting and family support services, specifically the Nurse Family Partnership program. Contract amount is \$123,064.93. Term of the contract is July 1, 2019 through June 30, 2020.
- e. Request for Board of Health authorization of a contract between the Butte-Silver Bow Health Department and the Madison County Health Department, to assist in providing Montana Tobacco Use Prevention Program services to the residents of Madison and Beaverhead counties. Term of the contract is July 1, 2019 through June 30, 2020. Contract amount is \$54,864.00, with those monies coming from the Montana Department of Public Health and Human Services to the Butte-Silver Bow Health Department, with the Health Department distributing \$26,784.00 to Madison County and \$28,080.00 to Beaverhead County.
- f. Request for Board of Health authorization of a clinical affiliate agreement between the Butte-Silver Bow Health Department and Montana Technological University, so that occupational education programs can contribute to an increased supply of occupationally prepared healthcare personnel through a combination of student didactic and clinical experiences at the Health Department. The agreement is effective August 2019 through August 2020.

4. Briefing Agenda Items

- a. None.

5. Other Business

- a. None.

6. Presentations

- a. None.

7. Public Comment(s) On Any Items Not on the Agenda

8. Next Meeting

- a. The next Board of Health meeting will be held at 7 a.m. Wednesday, Aug. 7, 2019 at the Butte-Silver Bow Health Department Conference Room, 25 W. Front St., Butte, Mont.

9. Adjournment
